Natuflo - Natural Flowers cumple con pasión las expectativas de nuestros clientes desde 1989. Somos una compañía productora, exportadora y comercializadora de flores frescas en Norte América, Rusia y otros mercados. Exportamos más de 75 millones de tallos anuales, contando con un amplio portafolio de productos en bulk y bouquets.

Nuestras fincas están ubicadas en la Sabana de Bogotá, Colombia, donde nuestras flores son producidas bajo las condiciones ideales para lograr la excelente calidad que nos caracteriza. Somos parte de los sellos de calidad de Flor Verde y Rainforest desde su creación. Natuflo se enfoca en exportar flor con la mejor calidad, estando a su vez fuertemente comprometidos con los programas de responsabilidad social y con el medio ambiente.

Nuestra meta es sobrepasar los estándares y las expectativas de nuestros clientes con flores frescas, la mejor calidad y garantía de entrega a tiempo. Constantemente estamos trabajando para convertirnos en socios estratégicos con nuestros clientes, entendiendo sus necesidades y ayudándolos a crecer.

Entendiendo que nuestros trabajadores son parte fundamental de la empresa, velamos por su bienestar y el de su familia. Es muy importante que el personal este motivado y comprometido con los objetivos comunes y que a su vez se sienta parte de esta gran familia.

Natuflo - Natural Flowers has had the passion to exceed the expectations of our customers since 1989; we are one of the leading growers, exporters and distributors of fresh-cut flowers in North America, Russia and other markets. We export over 75 million stems per year, and have a product portfolio including bulk products and bouquets.

With dedicated production facilities located in the savannah of Bogota/Colombia and Florida, our flowers are nurtured under our state of the art ideal growing conditions. As a member of the socio-environmental Flor Verde and Rainforest seal since its inception, Natuflo has always focused in exporting consistently the best quality product, with a high commitment with social and ecological responsibility.

Our goal is to exceed the standards and expectations of our customers by providing the freshest flowers, the highest quality and a guaranteed on-time delivery. We constantly strive and work to become strategic partners with our customers, by understanding their needs and helping them exceed consumer expectations.

Understanding that our employees are a very important part of the company, we assure their welfare and their families as well. It is very important that the personnel are highly motivated and committed towards the common goals and that they feel part of this great family.
