ABOUT US

Credible Blooms is a Kenyan flower company that prides itself in producing high quality roses that are accepted globally.

Our farms are equipped with modern infrastructure which includes a good road network, computerized irrigation systems, two huge water reservoirs, permanent sources of clean water, 560sqm of cold room space, over 1,000sqm of grading floor space, refrigerated trucks, among others.

| Our high quality roses are globally accepted |

Our locally grown, fresh, and quality flowers are produced under sustainable, social, environmental, and economic conditions, while keeping up-to-date with the latest production techniques and ensuring strict quality control.

We take pride in satisfying our customers by supplying high quality and affordable roses by using adaptive technology handled by qualified and motivated staff.
